to not allow any more group homes in our neighborhood.

The Facts About the New 75-Bed Group Home Housing the Homeless

- ✘ The group home is on the edge of the Anaheim Colony and Westmont neighborhoods and just blocks away from two elementary schools and Anaheim High School — exposing our students and families to increased blight, drug use, and property crimes.
- ✘ We all want to help get homeless people off the streets and into services they need, however placing them in group homes in our residential areas is not the answer, especially with little or no notice to the residents.
- ✘ Local residents brought this to the attention of our Councilmember, Jose Moreno, who has the authority to appeal and overturn this action.
- ✘ **Councilmember Jose Moreno failed to take action.**

Call Councilmember Jose Moreno at (714) 765-5247 or email jmoreno@anaheim.net and tell him to do his job and put our neighborhood first!
