Session 1

1. We will run through a mock Council Session straight through one time at the start to identify pitfalls and areas of vulnerability
2. We will then do a debrief and make notes for areas of strength, vulnerability, and areas needed for improvement.
3. Time permitting, we will do a second run through, stopping at key points to emphasize key moments.

Between Sessions 1 & 2

1. Participants will be asked to study their roles and come prepared for Session 2 to be at the top of their game.
2. FSB team available to help develop “zingers”, responses, and other points to improve performance.

Session 2

1. We will do a run through of another session, from the top, stopping along the way to emphasize key points and moments, and as necessary, replay those moments.
2. We will discuss continued areas of strength and weakness.
3. We will, time permitting, do another session all the way through.

Between Sessions 2 & 3

1. Participants will be asked to study their roles and come prepared for Session 2 to be at the top of their game.
2. FSB team available to help develop “zingers”, responses, and other points to improve performance.
