### **We are proud and feel privileged to endorse Shari For OC Treasurer!**

"As a home owner and resident, I often worry about the future of my community. I endorse Shari because I know that she is the best qualified person to manage our county's investments as County Treasurer. Shari is the only candidate with a CPA and she is the most qualified candidate. I know that she cares about my community's future as much as I do. And I know that she will do her best to protect our future. On November 2nd, vote for Shari for County Treasurer." **Alfonso Alvarez**, Ed.D. (Commander, American GI Forum, Rudy Escalante Chapter)

"Shari has my support for OC Treasurer because of her unique relevant professional experience and her proven ability to work with strong bi-partisan support on behalf of OC taxpayers" ([Francisco J. Barragán](#), CPA, CIA, Commander UMAVA -United Mexican-American Veterans Association).
